## WORK EXPERIENCE

2016 • Now

### Lead Graphic Designer

Bent Tree Bible Fellowship

- Art direct, design, and (if needed) animate bumper graphics and promotional images for each sermon series.
- Edit and produce animation for weekly video announcements.
- Promote events through digital signage, images for web distribution, posters, and cards for all three campuses.
- Give direction and feedback to contract graphic designers.

2013 • 2016

### Graphic Artist / Production Coordinator

SAGE Quick Technologies

- Designed and animated motion graphics marketing videos.
- Supervised ArtworkZone and assigned projects to artists.
- Oversaw production of all signage and marketing materials from printing through completion.

2008 • 2012

### Lead Graphic Designer / Production Manager

Fastsigns

- Oversaw day-to-day production schedule and operations concurrently for three franchises in the Miami, FL area.
- Ensured brand identity and product consistency for a wide range of corporate and independent clients.
- Operated large and small format printers, plotters, and routers.
